D-DAY 80 | BE A PART OF HISTORY

# England & France

10 days | London | Normandy | Paris

Follow in the footsteps of Allied soldiers during World War II as you travel from London to Paris via the Normandy region. Gain some context about this important invasion at Bletchley Park, and commemorate the 80th anniversary of D-Day with ceremonies and special programming. Throughout the tour, you'll visit World War II sites that will help put this major conflict into perspective.

# Lessons come to life

On June 6, 1944, American, Canadian, and British forces made history as 156,000 soldiers landed on the heavily fortified coast of Normandy, France. This was one of the largest amphibious military assaults on record, marking the beginning of the Allied invasion of Western Europe.

In honor of D-Day's 80th anniversary in 2024, join students and educators from across the country to explore the historic sites of World War II. You'll gain a new perspective on history and your place in it as you connect with the local community, participate in ceremonies, and rediscover a significant moment that shaped decades of global affairs. EF's exclusive educational partnerships and deep local access ensure you'll be part of the action during this unforgettable event.
